Yes, I usually try to come before 8 - so that would be great.

The shift assembly in the center console, \$1300 total! Car is 2004 though >107,000 miles.

Sonja and I are here till 3:00, Becky leaves at 12:00 so if you are here at 8:00 that would work. What was wrong with your car?

Thanks,

I am on-call Friday 9-1 so it would have to either before that or after that?

Ok good.
Tell the girls I am doing NOHO in the am Thursday and can come to them either Thursday afternoon or on Friday -their preference.

I got the car back, what a relief, I detested that little matchbox. I didn't like having to go to Boston in it yesterday!

Hi Helen,

I will be out of the office Thursday the 9th until the afternoon. Can I do the flu shot Wednesday or Friday?
